YOEMEN-GONZALES GAME FRIDAY NIGHT

A Large Crowd Is Expected For Bi-District Game Friday Night

The Cameron Yoemen, winner of District 23-AA will meet the Gonzales Apaches, winners of District 24-AA in the Bi-District game at the Yoe High Athletic Field, Friday night, November 23.

Game time has been announced for 8:00, according to Coach Paul Smith.

Coach Smith said the boys looked fairly good and regular workouts have been in order this week in preparation for this important tilt.

Glenn Rosenberg has recovered from injury he received in the game with the Rosebud Panthers, and fans will be glad to know that he will be able to play against Gonzales in the game.

The Gonzales team outweighs the Yoemen considerably in both the backfield and line. The Apaches have a good hard strong team and the battle Friday night will in no doubt be what football fans call a "thriller."

Sportwriters are giving Gonzales the edge in the game and the Yoemen will have to put up a strong defense to assure victory. We hope they realize that a tough battle is before them Friday night and get in there and play good, hard, clean football.

Football fans from over Central Texas will be here to witness this spectacular game. A large crowd from Gonzales is also expected for the game, since they are running a special train to Cameron for the game.

Committees Completing Plans For Annual Christmas Parade, Program

Members of the Business and Professional Womens Club, Chamber of Commerce and Junior Chamber of Commerce are completing plans for the Annual Christmas Parade and Program scheduled for Monday, December 3, N. L. Caperton, general chairman announced.

The Junior Chamber of Commerce has erected some of the street decorations and additional decorations will be purchased to give Cameron the modern Christmas Look for the big parade. The members of the Jaycees are volunteering time to erect these docorations.

Santa has notified Mr. Caperton that he will be in Cameron on Monday, December 3 at 6:30 P. M. He will ride in the parade on the fire truck and will distribute candy and souvenirs to the children.

The Yoe High School band will provide music for the parade and various clubs and organizations are busy making floats to enter to make it the most colorful parade ever held in Cameron.

Immediately after the parade, at 7:30, there will be a Christmas Program in the City Park, where the Manger scene will be erected.

Mrs. Mark Magers is in charge of the park program and singing organizations are preparing their Christmas Carols. Mrs. Magers will have groups to sing Christmas Carols and there will be group singing.

Mrs. E. Adams is general chairman of the Christmas Show and members of the club express their appreciation for her untiring efforts.

Col. Walter Williams Celebrates Birthday; Veteran Of Civil War

Col. Walter W. Williams, oldest Texas veteran of the Civil War, celebrated his 109th birthday, Sunday, November 18.

His birthday is actually November 14, but the party was planned for Sunday so that many of his 125 direct descendents could attend the occasion.

A barbecue dinner was prepared for the event at his ranch 14 miles south of Franklin. Mr. Williams and his wife live on the ranch alone. They raise cattle and turkeys.

Col. Williams is the grandfather of Mrs. Gene Blake of Cameron.

UNION THANKSGIVING SERVICES SLATED

Final Rites Scheduled Sunday For Mrs. George A. Thomas, 92

Mrs. George A. Thomas, 92, passed away at her home on East 23rd Street, Friday, November 16, 1951.

Mrs. Thomas had been seriously ill for the past sevral months. Although her condition was known to be critical, her many friends over the city and county were sorrowed to learn of her death.

A member of a well known and prominent family, she had lived in Cameron for the past 60 years. She was the widow of the late George A. Thomas, founder and for many years the owner of the George A. Thomas Drug Store.

Mrs. Thomas was a native of Robertson County, born at Franklin, January 29, 1859. Daughter of the late Dr. and Elizabeth Moore who were among the early prominent settlers in that section of the state.

She was preceded in death by her husband and two sons, Rush A. Thomas and Monte Thomas, both of whom were leading business men in Cameron for many years.

Mrs. Thomas was a member of the First Baptist Church and for many years was active in the work and activities of her church. Her christian character was a true example of the kindness and devotion to her family and friends will long be remembered. Always a good neighbor, she found joy in helping someone. Her role in the history of the city and county has been stamped upon the annals of time.

Those who knew her best loved her for her generosity and her heritage will realize the value of one who has been truly a good American. She loved her country and her forefathers were among some of the early settlers in this country.

Funeral services were scheduled at the First Baptist Church, at 3:00 P. M., Sunday, November 18, with Dr. P. A. Corkern, pastor officiating.

Interment in Oak Hill Cemetery with Marek-Burns Funeral Home making the arrangements.

Surviving are two daughters, Mrs. Gertrude Triggs, Miss Clara Thomas and the following grandchildren: Hilliard Thomas, Mrs. Viola Ford, Albert Triggs, Jr., Montague Triggs, George William Triggs, Walter Joe Thomas, Sarah Moore Sears and Gertrude Brannon. Among other survivors are: Mrs. Emma McDermott, Mrs. Juanita Young Mrs. Elaine Hoffson and Mrs. Tom Law.

Active pallbearers will be her grandsons.

Earl Louis Baker Fatally Injured In Saturday Night Collision Near Here

An automobile and truck collision on the bridge east of Cameron resulted in the death of one person around 9:30 p. m. Saturday, November 17 according, to Highway Patrolman, O. D. Lewis.

Earl Louis Baker of Troy, Texas, driver of a Chervrolet pickup, crashed into the rear end of an International truck that was parked on the bridge approximately one mile from the city limits.

Baker sustained a number of internal injuries from the accident and died shortly upon arrival at St. Edward Hospital. He was employed by the Wheeler Lumber Company of Temple.

Tom West, of Rockdale, driver of the truck had stopped on the bridge to adjust his lights on the truck when the accident occurred. West received several injuries but was released from the hospital Sunday.

The pickup was completely demolished, Mr. Lewis said. The truck was considerably damaged but not beyond repair.

Funeral arrangements for Mr. Baker are pending with the Hewitt Funeral Home in Temple. His remains were conveyed to Temple by the Marek-Burns Funeral Directors.

Pvt. Odis Turner Is Stationed At Camp Roberts

Pvt. Odis Edward Turner, son of Mr. and Mrs. Charlie Turner, of Cameron, Texas, 1905 North Washington Street, is now taking infantry basic training with the 7th Armored Division, at Camp Roberts, California.

November 24 marks the first birthday of the 7th Armored Division, stationed at Camp Roberts, since it was reactivated as an infantry training division.

Camp Roberts is midway between San Francisco and Los Angeles, thirty miles inland from the Pacific Ocean. The largest replacement training center in the West during World War II, the sprawling camp was closed in 1945 and reopened last year.

400 Reserved Seat Tickets Available For Friday's Game

Local school officials have announced that reserved seat tickets are still available, but are going at a rapid clip.

No tickets were sold on Monday except to season ticket holders. On Tuesday sales were open to any one in the Cameron vicinity.

Cameron officials have approximately 1250 tickets for sale. About 400 of these remain unsold.

Mail and telephone orders have been received from Lexington, Hearne, Georgetown, Taylor, Belton, Killeen, Rosebud, Bartlett, Caldwell Waco, Rockdale, Calvert and Mexia.

Local officials announced that these orders will begin being filled today, as they felt that Cameron fans should have first chance at tickets, and therefore have not filled any of these orders till now.

At the present time, indications point to as large a crowd that was here for the regional game with New Braunfels, which was played here to a crowd of some 6,000 in 1948.

Wednesday workmen began moving in bleachers from Baylor University in order to provide seating arrangements for general admission ticket holders. General admission tickets will go on sale Thursday at the High School and will sell for one dollar. Reserve seat tickets are $1.50 and will probably be on sale each day at the High School as long as they last.

Student tickets are fifty cents if purchased from the school principal of the students purchasing the ticket. No student tickets will be sold at the gate and all general admission tickets the night of the game will be one dollar. Students from any school in this area may purchase a student ticket from his school principal.

Due to lack of parking space inside the field no cars will be permitted inside the stadium the night of the game.

(FLASH)—Official word has been received that Gonzales is running a special train with approximately 500 fans.

Mrs. W. O. Triggs, Program Leader At WSCS Meeting

The WSCS of the First Methodist Church met at the church Monday.

Twenty-six members were present for the meeting. The Perrin Circle led in attendance.

Mrs. W. O. Triggs presented the program and devotional using the first chapter of the Book of Acts.

Churches Of Cameron Will Unite In Services At Methodist Church

Union Thanksgiving services are scheduled at the First Methodist Church, Wednesday, November 28, according to Rev. John Solomon, secretary of the Cameron Ministerial Association.

Protestant Churches unite each Thanksgiving for this annual event.

Rev. C. P. Robison, pastor of the Assembly of God Church will bring the sermon, using as his subject, "Expressions of Gratitude to God."

Other ministers of the Cameron Ministerial Association will participate on the program.

Baskets of food will be given to needy families in the city as usual this year. The services were held last year at the First Christian Church.

The public is cordially invited to attend the services.

Red Cross Field Representative To Discuss Vital Need For Blood

An important county-wide meeting is scheduled at 7:30 P. M., Tuesday, November 27, in the dining room of the Milam Coffee Shop according to A. W. McCullin.

Presidents of all civic clubs and other organizations are requested to be present for the meeting including representatives from all churches of Cameron and over the entire county.

The purpose of the meeting is to make arrangements to contact blood donors in this area in connection with the Red Cross Blood Bank, that has been so vital in saving the lives of boys who are fighting in Korea.

L. A. Summers, field representative of Waco will be present to discuss the vital matter. He has worked in this field of activity for a number of years.

Every citizen interested in the program is urged to attend.

In 1944, Mr. McCullin who was president of the Lions Club at that time, worked with the program in Cameron and several bus loads of blood donors from over the county were taken to Waco to give blood for soldiers in World War II.

Mr. McCullin has worked with this program and realizes the good that can be accomplished from such an acttivity. A good representation from all sections of the county is expected at the meeting.

Three Weeks Report For Month Show Mostly Residential Building

Building permits for the City of Cameron for the month of November, up to November 19, totaled $9,975.00, according to Mrs. Neomi Needham, city secretary.

This report shows a slight decline compared to the first three weeks of October. Construction for November has been for a number of small new residences, garages and repairs.

Mrs. George Graves is building a new home on East 13th street or permits that total $4,500 for the only major single construction reported this month. However, more are expected to come in within the remaining ten days of November.

Other building listed during the past three week are: J. C. Brashear, a house for $1,500; Louis Elly, a house for $1,000; Ervin Sims a house for $1,500; Dave Hemenas, a garage, $300; J. S. Elsenberg moved a house in from the rural area for $300. Repairs amounted to $800.

Mrs. Theo Fuchs Presides At HD Meeting At Buckholts

The Buckholts HD Club met at the Home Economics Cottage Friday, November 9, at 2 p. m., with Mrs. Alice Hughes, Demonstration Agent present.

Seventeen members answered roll call. Two new members, Mrs. Grover Williams and Mrs. Sam Henderson were added to the roll. Mrs. Hugh Powell and Mrs. Lawrence Obermiller were visitors for the occasion.

Following the regular meeting the program was turned to Mrs. Theo Hughes who gave an interesting demonstration on making corsages out of nylon hose. She displayed a number of corsages she had previously made.

Wilson's Credit Jewelers Formal Opening Here Saturday

Saturday, November 24, will be the day of the year as far as progress in the mercantile area goes.

The occasion is the formal opening of Cameron's newest business establishments, Wilson's Credit Jewelers. The new firm is located in the building formerly occupied by the Walgreen Agency in the Winfield Building.

The opening of this store will be something new for the city of Cameron and will feature all kinds of jewelry in the best known brands of diamonds and electrical items.

The firm is home owned and home operated by Bassel Wilson, who resides at the Camp Apartments on East 3rd Street. The building has recently been redecorated for the formal opening and final arrangements will be completed by the opening date.

The jewelry store will be one of the most modern in this section of the state. The bright vivid colors used throughout the store give forth an illuminating effect that blends in perfect harmony with the fixtures.

The ceiling and top walls are of battleship grey met at the half way mark by Swedish red to bring out modernistic designing seen in all uptodate shops over the state All section units on each side of the store having two glass shelves each with a background of hunters green. The incadescent dropped flood lights directly above the display show cases are arranged to give the appropriate lighting effect for displaying purposes.

The Horse Shoe at the front is uniquely arranged to bring out everything from a modernistic standpoint and will add much to the appearance of the store.

Three tier Islands located in the center of the store will be used to display electrical items and flat silver wear.

Blonde fixtures will be used throughout the firm. Arrangement of display units, show cases and other fixtures have been so arranged to give adequate shopping room for customers.

The back portion of the establishment will be given over to the watch repair service, credit department and offices as well as sufficient storage facilities.

Mr. Wilson along with Rip Talasek, co-owner are being congratulated upon the opening of such an outstanding business establishment.

During the afternoon music will be furnished by Jimmie Heap and His Melody Masters of Taylor, with broadcasts at 1:00, 2:00, 2:45 and 3:15 P. M. over Station KTAE Taylor.

Souvenirs and prizes will be awarded. Guests are urged to register. This will be one of the biggest entertainments scheduled here in sometime. A number of lovely gifts will be given. The public is cordially invited to attend.

V. J. Hannon is manager of the firm. Other employees are: Mrs. Dero Jenkins and Charlotte Collins as sales ladies. Misses Kate McLane, Martha Collins, Virginia Graham and Beverly Freeman will assist as hostesses for the formal opening ceremonies Saturday.

A Tribute--

To Our Insurance Men

The man who "writes you up" for insurance is one of the most human of all salesmen. He deals in human nature. He must keep a myriad of facts and figures at his finger tips. He must be persistent, persuasive and personable. The sincere Insurance Man offers you something you owe to yourself and your family. He insures ur life, with ample protection for your loved ones. He insures your home, your car, your personal possessions. He sells accident insurance and ofttimes, special kinds of protection covering other personal or business assets. You're doing yourself, not him, a favor when you buy well-planned insurance. Consider him one of your most needed friends.

Safety Suggestions For Hunting Season

Austin, Texas, Nov. 17.—As the hunting season gets underway Dr. Geo. W. Cox, State Health Officer, urges caution in handling firearms. More than 160 Texans were killed in 1950 as a result of carelessness in handling guns. At a time like this it is more than ever important that we should conserve human life whenever possible.

"It is not enough to deplore the waste of human lives caused by the careless handling of firearms," asserts Dr. Cox, "we should learn from the deaths of these victims the lessons of safety which will waste. With the price of meat at the present high level there is a possibility of more hunters going into the field than ever before.

The State Department of Health gives the following safety suggestions in handling guns:

While hunting to be sure that the loaded gun is on safety until ready to fire.

Never shoot without seeing your target clearly.

Never crawl through a fence carrying a gun.

If hunting with a companion stay close to him.

Do not strike the ground or a wounded animal with the butt of a loaded gun.

Never scuffle while holding a loaded gun or point it at a person "for fun."

Always unload a gun before attempting to clean it.

Always unload guns before taking them into camp or houses.

All guns should be carefully put away in the house out of reach of small children.

THAT'S WHAT I CALL REAL SERVICE

And You ALWAYS Get It When You Use
McCormick Equipment

One day, right in the middle of harvest, a customer hurried in and asked for a replacement part for his 10-year-old combine. I went to the parts bin, and as I came back and plunked the part down on the counter, he grinned and said:

"That's what I like about using McCormick equipment. When I do need a part, you always have it or can get it right quick."

He started to walk out, and I said, "How about letting our service man put that part on for you? Your machine might need a little adjustment here and there, and he can do that at the same time."

He thought it over for a minute, and laid the part back on the counter. "Go ahead," he grinned. "I've got a couple of other things to take care of here in town anyway. The combine is standing in the field south of the house."

He turned to go, and I mentioned, "If you're not at home by the time he puts on the part, I'll have him try the combine and look it over thoroughly and give you a report. Maybe we can get together and arrange to fix it ahead of time for next season and save you time and trouble."

"Go ahead," he agreed again. "That's what I call *real* service!"

I wonder if our friends realize how often and how carefully we check the mildness and smoothness of Southern Select Beer.

I, personally, check the taste and quality of the beer regularly. Our staff of brewmasters and brewery chemists make regular tests on the uniform mildness and lightness of Southern Select, and make these tests several times a day. In addition, we invite independent laboratory analysis to compare our beer with other leading beers to make sure we are not surpassed in quality.

It is no wonder the experts say that Pilsenized Southern Select today ranks with the world's great beers.

FOR OWNERS OF U.S. SERIES E GOVERNMENT BONDS MATURING THIS MONTH

Now these bonds keep on earning you interest for ten more years!

ARE you one of those patriotic and thrifty citizens who has held your Series E Bonds the full ten years? Here is important news! Now you'll be able to keep those bonds earning *more* money. Without so much as your lifting a finger!

Last April Congress passed the Bond Law which makes it possible for all Series E Government Bonds to continue earning interest for twenty years instead of ten as originally planned.

For example, a Series E Bond which cost you $18.75 in 1941 will pay you $25 in 1951. But if you hold that same bond ten extra years, until 1961, it will pay you $33.33, an average interest of 2.9%.

And there is nothing for you, as a bond holder, to do. You need not exchange the bonds you have. You need not sign any paper, fill out any form. *You simply keep your bonds as you have been keeping them.*

You may still redeem any Series E Bond at any time after you've owned it for sixty days. (The tables on this page show what you can get for it.) But holding on to your bonds is the wise way if you can possibly do it. For in United States Bonds your money is as safe as America itself. Bankers recommend bonds as one of the safest forms of investment.

Money put into U. S. Bonds regularly and left there grows and grows. It can build into enough to pay for a home, a business, a retirement fund, an education for your children, or whatever really big thing is your own personal dream.

So if you have bonds which are coming due this month, remember the new money-making opportunity your Government is giving you. Just hold onto your bonds and they'll go on earning money for you. In the meantime keep up your regular saving with *more* U. S. Defense Bonds—through the Payroll Savings Plan where you work or the Bond-A-Month Plan where you bank.

If you want to be paid your interest as current income—

The new law also allows you to exchange your Series E Bonds, in blocks of $500 or more, for Special Series G Bonds which pay interest semiannually at the rate of 2½% per year. For full details, ask at any Federal Reserve Bank or Branch.

Here's how Series E Defense Bonds earn the first 10 years

Texas Pool Of Men Available For Army Rises

Austin, Nov. 16.—The man power pool of men with dependents was cut 25 per cent in October as local draft boards moved childless married men from deferred to A-A status, State Selective Service headquarters reported Thursday.

During the month the I-A pool of men available for military service rose 34 per cent.

Brig. Gen. Paul L. Wakefield, State Seective Service Director, said the number of men deferred because of dependents dropped from 69,610 to 52,508.

At the same time, the number classified at 1-A rose from 43,208 to 56,411.

Wakefield reminded prospective draftees of their legal responsibilities to notify their draft boards if they get married or if their wife is pregnant. Failure to notify draft boards, he said, prior to issuance of induction orders, has resulted in "several" registrants being inducted.

Miss Janice Kultzen of Moody recently concluded a visit in Cameron.

A RECEIPE FOR A DAY

Take a dash of water cold
And a little leaven of prayer,
A little bit of sunshine gold
Dissolved in the morning air.
Add to your meal some merriment
And a thought for kith and kin;
And then, as a prime ingredient,
A lot of work thrown in.
But spice it all with the essence of love
And a little whiff of play.
Let a wise old book and a glance above
Complete a well spent day!

HORSTMANN BROTHERS

MY new electric range is a real *blessing* any way you look at it! For one thing, I've become a consistently *better* cook since I switched to electric cooking. Everyone in the family says so.

More wonderful still... I spend *less time* in the kitchen. That's because speedy heating units are ready to go at the flick of a switch. Thermostatic temperature controls maintain the *exact* heat required... the kind of accuracy that means delicious results every time! There's no smoke or soot to blacken pans... so clean-up is quick and easy.

Yes, with a modern *electric* range, you can take a permanent holiday from cooking worries and enjoy "thanks"-giving feasts every day!

Price Clinic Slated In Cameron Wed. November 28

New dollars and cents ceiling prices on used passenger automobiles, recently set up by an Office of Price Stabilization order, will go into effect December 20, the Houston District OPS has been advised.

The order, in addition to making the new ceilings effective December 20, require that a used car offered for sale bear a tag stating make, model, line of series; ceiling price, and price at which the car is offered for sale.

Greer Streetman, 56, Dies In Oklahoma Brother Of Local Man

Greer Streetman, 56, died at Pawhuska, Oklahoma, Saturday, November 17, 1951.

Mr. Streetman was a brother of Emmett Streetman of Cameron. He was a native of Milam County and lived here in his early days. He was Tax Assessor and Collector in Pawhuska.

Funeral services were scheduled for Tuesday, November 20 in that city. Interment will be made in Pawhuska Cemetery.

Surviving are three brothers, Emmett Streetman of Cameron; Benton Streetman, of Eldorado, Oklahoma, Joe Streetman of Meresh, California; one sister, Mrs. P. Rynne of Fort Worth, Texas.

H. H. Stedman Home, Scene Of Coffee Friday Afternoon

Mrs. Mary Jo Stroup and Mrs. Lucille Monroe were hostesses at a coffee at the home of Mrs. Hilry Stedman, Friday afternoon, November 16, from 3 till 5.

In the living room were attractive arrangements of orchid chrysanthemums. The dining table held a centerpiece of bronze mums and bronze stock, uniquely arranged to blend in with the color scheme.

Alternating at the coffee service were Mrs. Shirley Swift and Beatrice Kestenbaum. Mrs. Deanie Burns and Mrs. Alice Evans served cream tarts and salted nuts. Other members of the house party were Mrs. Bea Williams and Mrs. Irene Smith.

Approximately sixty guests called during the afternoon.

Out of town guests were: Mrs. J. Harmon of Waco, sister of Mrs. Stroup and Mrs. Monroe, Mrs. Carl Tractschold, Jr., of Waco, Mrs. Margaret Garth of Jackson, Miss., and Mrs. Mildred White of Fort Worth.

Methodist Home To Present Thanksgiving Program Nov. 25

Since many people will observe one of two Thanksgiving Days, and in some cases both, the Methodist Home of Waco, is striking a happy medium by broadcasting its Thanksgiving Day program on Sunday, Nov. 25, it is announced by Hubert Johnson, superintendent of the Home.

This program, one of the weekly series entitled, "These Are Your Children," will be heard at 8:15 a. m., and will feature a typical Thanksgiving Day program and activities of the more than 400 children at the Methodist Home. Expressions of thanks and appreciation from a number of the Home graduates will be read, according to Mr. Johnson.

RED CROSS BRINGS EARLY THANKSGIVING TO FAMILIES HIT BY FOUR-STATE FLOODS

After last July's floods, 52,275 families in Kansas, Missouri, Oklahoma and Illinois were thankful to be alive, but many had lost everything they had worked for. In Wyandotte County, with Kansas City, Kansas, loss was greatest, with 4,725 homes destroyed or damaged. Red Cross, on a basis of individual need, made awards totaling $5,416,550 for assistance in rebuilding and repairing 2,945 homes in that county alone. In the upper photo, a Red Cross worker examines wreckage of a house, typical of damage in the Argentine and Armourdale districts of Kansas City, to estimate its replacement cost. In the four states, 32,057 homes were destroyed or damaged.

Thanksgiving came early for Mrs. Hazel Moberly, below, left, whose house was the first Red Cross-built new house completed in Kansas City, one of 2,945 being repaired or built new in Wyandotte County by the Red Cross. On October 6, she received the key to the house, rebuilt on the old foundation in Kansas City's Argentine district. Red Cross also provided $470 worth of essential furniture. After verification of family needs, Red Cross awards—outright gifts, not loans—totaling $8,645,808.11 have been granted to help in building and repairing 4,800 homes in the four-state flood area. For the more than 25,000 families who applied for Red Cross help, Thanksgiving, 1951, came the day a family received notice that a Red Cross award had been granted to help them come back. Farmers Making Plans For 1952 Crop Chairman Graves Announces

Already many farmers of Milam county are looking ahead and planning their farming operations to make the best possible use of assistance provided under the 1952 Agricultural Conservation Program, says Paul C. Graves, chairman of the Milam County PMA committee.

Benefitting from past experience and the continuous improvement of the ACP itself, farmers can be expected to get more and better conservation for each dollar of public funds spent. Through the Agricultural Conservation program the individual farmer and the Nation are cooperating in a program of protecting and building the soil and water resources so that current defense needs can be met without reducing the land's productivity. In most instances, says Mr. Graves the program results rather in improving and increasing the productivity of the land.

Sofar , about 1500 of the co... 3600 farmers have coopera... the 1951 ACP by carrying ... soil and water conservation ... ices which are as much inte... in the farmer's.

Mr. Graves points out tha... mers can make better use ... materials and services pro... under ACP by looking ahead ... making plans well in advance ... actual operations. Where scar... materials are needed, orders sho... be placed early enough to assure delivery. Arrangements should also be made early for needed services such as those requiring dirtmoving equipment.

Beginning now to plan for the coming year's conservation activities gives time for a more complete and better balanced use of ACP, savs Mr. Graves.

Mrs. Annie Richards who accidentally fell on the steps of her home at 206 South College Sunday night was only slightly hurt and is reported doing nicely. Her many friends will be glad to know she was not seriously injured.

Polio is spread from person to person through frequent and close contacts such as occur in a home. The virus probably enters the body through the nose or mouth. It usually takes 7 to 14 days to develop the illness after infection.

Mexican-Chinese Student Shocks Class With Discussions

Only one hand went up when Dr. J. D. Bragg, history professor at Baylor University asked his class if anybody knew the subject nature of the Monroe Doctrine.

It was a question out of a clear sky, and the single answer; in itself, was not surprising; but the fact that the hand belonged to Miss Maria de la Luz Pantgtay of Tampico, a Mexican student of Chinese ancestory, was surprising.

The student increased the surprise to actual shock when she quoted ver batim the textbook's full discussion of the doctrine.

Dr. Bragg reported today that he mamrked down an "A" for the foreign student, then asked the rest of the class; "Aren't you ashamed?"

Cloudy And Warmer Forecast For Area

A low of 25 degrees for Sunday morning, November 18 was reported by L. W. Smith, local weather observer. Monday's report showed only 32 degrees.

According to reports, cloudy weather and warmer was forcast for Monday and Tuesday. No rain was reported within the past 24 hours in Central Texas, however it was hopeful that this area would receive some precipitation from the change in weather conditions as a warm mass of air was forming over Texas and adjoining states.

The temperature dropped to a low of 15 degrees at Dalhart Monday morning which was the coldest spot in the state.

Prevent Spreading Of Cold Germ Says Health Officer

"At this time of the year health officers and physicians always expectan increase in the common cold," Dr. Geo. W. Cox, State Health Officer, reminds residents of Texas. "Although good personal hygiene adequate sleep, suitable clothing, moderate exercise and good nurition, may help the individual to develop resistence to infections, cold frequently develop in spite of all normal precautions.

The seasonal rise in colds and other respiratory diseases during the fall and winter months certainly suggests that the shift to cooler weather is partly responsible for their prevalence.

"The unhappy victim of a cold should make every effort to prevent spreading the infection to others. He can help by covering up coughs and sneezes with a disposable paper handkerchief,by staying out of crowds and avoiding close contact with others, especially invalids, young children and old people. Evidence indicates that the colds are readily transmitted from person to person.

A fire extinguisher in each building about the farmstead is good insurance. The use of an extinguisher on a small fire may save a building.

Mrs. R. D. Brown, Entertains Friday Night Supper Club

Mrs. R. D. Brown was a gracious hostess to the Supper Club at her home on North Central Street, Friday night, November 16.

Attractive arrangements of lovely mums adorned both the living and dining room.

S. M. Mayfield was guest in the absence of Oxsheer Smith.

The hostess carried out the Thanksgiving motif in the menu with John Henderson carving the turkey and Mrs. B. F. Robinson serving other Thanksgiving delicasies.

Three tables of bridge were enjoyed with Dr. and Mrs. James Watson taking high score in their respective groups.

Kick-Off Coffee Well Attended By Civic Leaders

The Kick-Off Breakfast for the 1951 Community Chest Drive was attended by some 30 members of clubs and organizations Monday, November 19 at 9 p. m., in the Milam Coffee Shop.

General Chairman N. L. Caperton expressed confidence in reaching the $5500.00 goal and said that every individual in Cameron will be given an opportunity of contributing to the Community Chest this year.

Chairman Caperton said the workers will begin making contacts immediately after the breakfast and the drive will be completed this week.

Stanley Swift, Special Gift Chairman, gave a break down of the budget as follows: Boy Scouts, $1,800; Girl Scouts, $1,000; Welfare $1,500; Milk Fund, $540.00; Emergency Hospitalization, $500; Emergency Fund, $160.

Swift said that the Community Chest would welcome payments from anyone wishing to contribute and would accept payments by the month, quarterly or in a lump sum. To make it more convenient for the contributor, they may also approve bank drafts and allow payments to be drawn from their bank account.

Those attending from their respective organizations were: Mrs. Lottie Bigbee, Business and Professional Women Club; Mrs. David Shapiro, Mrs. Lincoln Mondrick, Mrs. A. E. Matula and Mrs. M. M. Swain, St. Rita's Circle; Mrs. Harry Haraway, Pleasure and Profit Club; Mrs. K. K. Robbins and Mrs. L. W. Smith, History Club; Mrs. Eddie Dodson, Mrs. L. Children Taking Part In Erecting Scenes For Decorating Contest

Plans are underway in many Cameron homes for the decorations to be erected for Christmas this year. Homes will have to be decorated, more and more of them, since the residential section will want to keep up with the business section which will be more resplendent than ever this year.

In many homes, children have been given the responsibility of planning and erecting the displays. Children in the family have many unique and interesting Christmas ideas that, with the help of their elders, can be put to good use. Then too, the prizes will help with their Christmas shopping money.

Cedar, holly and ooher grennery can be used very effectvely in making the displays. With a little imagination, a saw and paint, some very attractive figures can be made from plywood and other materials. many optical illusions have been created by the ingenious use of lights and colors.

Doors and windows can be attractively decorated with the use of paste, construction paper, paint and lights.

Roofs of house are often the attractive setting for Santa and his reindeer. The front porch can some times be used to advantage in displaying manger scenes, group of carol singers or Christmas trees.

Attractive and inexpensive wreaths for doors and windows can be made at home to the enjoyment of the entire family.

These are only a few of the many ideas that Cameron folks will incorporate in their home decorations this year.

IF you wear a WATCH you should read this Ad!

Your watch repairs require one who has the latest equipment—the modern electronic instruments to check the accuracy of the timing.

D. C. Kelly Littlepage has been in Jewelry business since 1924 along with his wealth of watch repairing knowledge he double checks his work with a

Yoe High School, Future Homemakers Attend Area Meeting

Twelve Future Homemakers and Mrs. W. T. Whatley of the Yoe Yoe High Chapter attended the annual meeting of District Four, Area Eight, of the FHA, held at the Sharp School, Saturday, November 17.

The program included group recreation led by the Cameron Chapter, a sing song, reports from the Chapter Presidents, and a talent show. Mary Hensley gave the report for the Yoe High Chapter, which was well represented at the meeting.

The local chapter won second place in the talent show which included a saxaphone solo by Rosalie Tomek, accompanied by Mary Hensley.

Frances Vogelsang was elected State Nominee for the district. She will be a candidate for state officer at the area meeting later on in the year.

Farmers Urged To Report 1951 Cotton Acreage With PMA

Paul C. Graves, chairman of the Milam County PMA committee announced today that farmers are being requested to report their 1951 acreage planted to cotton. It is very important that this acreage be recorded for use in the event of any future marketing quota programs.

According to Mr. Graves the PMA office is mailing self addressed cards requiring no postage, to farmers for use in reporting their 1951 cotton acreage. Farmers are requested to fill out the card as accurately as possible, and return it to the PMA office immediately. Graves says, any farmer who is doubtful about how many acres of cotton he has planted in 1951 may have his acreage measured by a PMA employee if he desires. The farmer must bear this expense as funds available are insufficient to cover this extra work. **The cost to the farmer for this service will be $3.00 per farm plus $1.00 for each additional plot over one.**

Graves urges farmers to carefully consider having their 1951 cotton acreage measured since this will establish the most accurate acreage record possible for use in determining future allotments.

Monroe Fuchs John Henderson, Jr., and Joe Zarosky were in Austin Saturday to attend the Texas-TCU football game.

State Draft Board Actions Reduce Manpower Pool, With Dependents

Austin, November 21.—Actions of state draft boards in October reduced the manpower pool of men with dependents by 25 per cent, a state Selective Service report to Washington revealed today.

During the same period, local board actions increased the pool of men available for military service by 34 per cent, the report stated.

At the end of September, draft board had 69,610 men deferred because of dependents. At the end of October the figure had dropped to 52,508. At the end of September, boards had 43,328 classified in A-I. By the end of October this pool was increased to 56,411.

Brig. Gen. Paul L. Wakefield, state Selective Service director, explained the decrease in the number of men with dependents.

"Men with only dependent wives are no longer deferred under our new regulations," he said, "unless they can show extreme hardship. The local boards are reopening all these cases, and the figures show that many of them are being reclassified into I-A.

General Wakefield again reminded men of their legal responsibility to notify their draft boards if they get married, or if wives are expecting a child.

Under present draft regulations, if a man's wife is expecting their first child, the man is required, prior to the date his draft board mails him an induction order, to file a statement from a licensed physician that a child has been received.

If he fails in this responsibility, present draft regulations make it mandatory that he be inducted into the service.

"Draft boards are currently hard at work reclassifying men with only dependent wives," General Wakefield said. "Several registrants over the state already have been too late in notifying their boards.

"There's nothing we can do about their cases. All we can do is implore all young men affected by the draft to notify their boards of any change in status.

"Tomorrow may be to late. The time to act is now," the state draft director concluded.

A Large Crowd Is Expected For Bi-District Game Friday Night

The Cameron Yoemen, winner of District 23-AA will meet the Gonzales Apaches, winners of District 24-AA in the Bi-District game at the Yoe High Athletic Field, Friday night, November 23.

Game time has been announced for 8:00, according to Coach Paul Smith.

Coach Smith said the boys looked fairly good and regular workouts have been in order this week in preparation for this important tilt.

Glenn Rosenberg has recovered from injury he received in the game with the Rosebud Panthers, and fans will be glad to know that he will be able to play against Gonzales in the game.

The Gonzales team outweighs the Yoemen considerably in both the backfield and line. The Apaches have a good hard strong team and the battle Friday night will in no doubt be what football fans call a "thriller."

Sportwriters are giving Gonzales the edge in the game and the Yoemen will have to put up a strong defense to assure victory. We hope they realize that a tough battle is before them Friday night and get in there and play good, hard, clean football.

Football fans from over Central Texas will be here to witness this spectacular game. A large crowd from Gonzales is also expected for the game, since they are running a special train to Cameron for the game.

Mr. and Mrs. Bob Howard, Miss Willie Fletcher and B. R. Fletcher all of Austin were week end guests in the home of Mr. and Mrs. W. H. Fletcher here. Teddy Ray Fletcher who is in the US Navy stationed at San Diego, California is spending a 14 day furlough here with his parents.

The WSCS and the women of the church met with Mrs. H. L. Yager Monday afternoon. Both societies had 24 present.

Thomas LaCook, 58, died at McCloskey Hospital in Temple Friday morning, November 16, 1951.

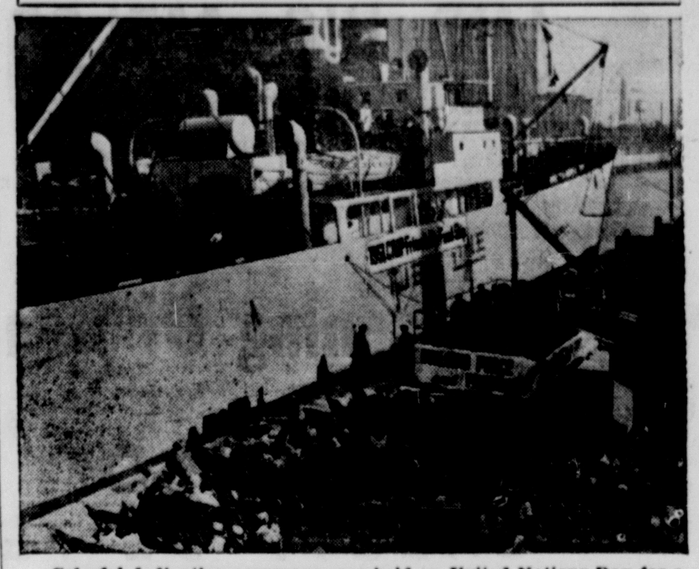
Mr. LaCook had been a patient at the hospital for the past two weeks. A native of Arkansas, Mr. LaCook came to Texas when a young man. He was a veteran of World War I.

Mr. LaCook has been employed by the Geological Survey at Austin, Texas, for the past several years. He was well known in Cameron and made his home here for several years prior to moving to Austin.

Among his survivors are his widow, Mrs. J. T. LaCook; one son, Thomas LaCook, Jr., of Cameron; one daughter, Mrs. Lawrence Lewis of Austin; one half brother Walter Robinson of Granbury and three sisters; Mrs. N. C. Kirk, Austin, Mrs. R. J. Ringstaff, Austin and Mrs. Nora Prichett of Paris.

Funeral services were scheduled at 4:00 P. M. Saturday, November 17, at the Chapel of Marek-Burns Funeral Home, with Rev. Mark Magers, pastor of the First Methodist Church officiating. Burial in Oak Hill Cememtery.

FRIENDSHIP FOOD SENT ABROAD



Colorful dedication ceremony was held on United Nations Day for a Friendship Food Shipment contributed by American farmers to refugees in Germany through the Christian Rural Overseas Program (CROP). Part of the hundreds in attendance are seen being seated for the ceremony at the foot of Chicago's Michigan Avenue Bridge. The ship is the Norwegian overseas freighter SS. Ornefjell. Its gift cargo is the first of an estimated 1400 carloads of bulk foodstuffs that will be contributed to CROP's program of world relief this year. Four other shipments, destined for Italy, Greece, Central Europe, the Holy Land, Turkey and India, are clearing the Port of Philadelphia this month. Since 1947 CROP has collected 5400 freight carloads of foodstuffs for overseas distribution by its parent agencies, Catholic Rural Life, Church World Service and Lutheran World Relief.

American Cancer Society Slated To Meet In Dallas November 21

Volunteor workers of the American Cancer Society, Texas Division will meet November 21 at Dallas for the sixth annual state wide session.

Dr. Felix J. Underwood of Jackson, Miss., member of the national board of directors of the American Society and executive officer of the Mississippi State Board of Health, will address the luncheon meeting at the Baker Hotel.

The morning session, beginning at 10 a. m., will be open to all Texas volunteer workers and will feature reports by officers of the Division stressing progress made by county units in organization and service activities.

Frank C. Smith, Houston, president of the Texas Division; Mrs. Joseph M. Perkins, Eastland, and Dr. G. V. Brinkley, Temple, vice-presidents, are expected to stress in their reports the inter-relationship between the lay men, women and medical leaders who make up the "Triangle of Leadership" of cancer control program.

Plans for the April membership Cancer Crusade will be highlighted during both the morning meeting and the panel discussions to be held in the afternoon.

Mrs. Alice McBride, 72 Dies In Calvert; Services At Franklin

Mrs. Alice McBride, 72, died at her home in Calvert, Friday, November 16, 1951.

Mrs. McBride suffered a heart attack. A native of Robertson County, she was born July 4, 1879. She had lived in Robertson County all her life where she was well known.

Funeral services were scheduled at the Peters Funeral Home in Franklin, Sunday at 2 P. M., with Rev. Malcom Smith, pastor, of Church of Christ, Grosebeck, officiating.

Burial in the Franklin Cemetery.

Surviving are her husband, M. McBride, of Calvert; four sons, Alvin McBride of Houston; Clifton McBride of Mart; Crafford McBride and Buford McBride, both of Houston; four daughters, Mrs. Irene Tinkler, Mrs. Myrtle Cole, Mrs. Euna Shaw and Mrs. Opal Muecke all of Houston; two brothers, Willie Cazey and Leonard Cazey of New Baden, and one sister, Mrs. Ada Williams of Waco. Mrs. Ida Belle Lewis Named Vice-President Of SCF Area.

Hinton Pruett, County Superintendent of Public Schools and Mrs. Ida Belle Lewis, county visiting teacher, attended the Area Meeting of the Save the Children's Federation, at A&M College, Tuesday, November 13.

This area is composed of eight counties. A very interesting program was held with Mr. Pruett as one of the main speakers. The topic of discussion was organization work for the benefit of youth.

A luncheon was held prior to the business meeting at which time Mrs. Lewis was elected vice-president for the coming year.

Other officers for the year were also named.

The affair was held at the Student Memorial Center.

Deadline For Entries Set For December 15

Cameron citizens are reminded that one month from now, December 15, is the deadline for entries in the Home Decorating Contest. Anyone desiring information for rules or anything else pertaining to the contest are requested to call phone No. 251.

The points to be scored in the contest are:

1. Originality, 30 per cent; 2. Lighting effect, 20 per cent; 3. Arrangement, 30 per cent; 4. Color, 20 per cent.

Cameron peope have a great deal of originality and imagination that can be used to advantage in erecting the arrangements for the contest.

Flood lights place at vantage points about the display as well as varied colored lights will lend to the effect of the entry. The most effective arrangement and bright vivid well chosen colors will share 50 per cent of the score when the judges make the decision for the winners of the contest.

The more the entries the nicer Cameron will look for Christmas visitors.

Law Enforcers On The Job; Hunters Warned About Closed Seasons

Austin, Nov. 14.—Law enforcement, a vital routine for the main fall hunting season, was spotlighted with the disclousure that $8,462 was collected in fines and court cost during October.

The Chief Clerk of the Game and Fish Commission pointed out that several of the major cases involved illegal shooting of deer and wild turkey, which became legal prey November 16.

Fourteen persons were prosecuted for headlighting deer, one more than was brought into court for hunting deer at night. Sixteen cases involved taking deer in closed season.

Mr. and Mrs. Jack Yewell of Houston are visiting in the home of her parents, Mr. and Mrs. Walter Senkel.

Year's Best Motion Picture Coming To Cameron Screen

The greatest advance anticipation of a motion picture in many years will be rewarded tomorrow with the arrival at the Cameron Theatre of 'David and Bathsheba," Twentieth Century-Fox's spectacular picturization of one of the immortal love stories of history, photographed in color by Technicolor with a cast of thousands headed by co stars Gregory Peck and Susan Hayward.

Filmed on massive sets as well as in a replica of ancient Israel rebuilt on location at Nogales, Arizona, "David and Bathsheba" relates on the screen for the first time the legendary drama of the romance of the King of the Israels and the sirenous wife of his able warrior, Uriah the Hittite. Beginning with their historic meeting when David sees Bathsheba bathing herself on a roof top adjoining his palace and has her brought to him, "David and Bathsheba" follows the Bibical account of how David dispatches her husband to death in battle so that he can marry her. For this sin they suffer the wrath of God predicted by the bearded prophet, Nathan.

In addition to serving as a mirror of the sins of mankind, the film has been designed to accommodate the pictorial grandeur of King David's time. The battles with the Philistines in David's youth and with the Ammonites during his reign are graphically depicted. Besides the slaying by slingshot, there are faithful production of the holy Ark of the Covenant and the tabernacle in which it was housed, the stoning of an adulteress outside the gates of Jerusaleum, the forbidding walls of Rabbah, and the palace of the King.

Hugh Glynn Ridout, son of Mr. and Mrs. Hugh Ridout of Gatesville underwent a tonsilectomy at St. Edward Hopsital Friday and is reported improving nicely. He is the grandson of Mr. and Mrs. John Tindall here.

Mrs. B. F. Robinson Makes Unique Flower Arrangements at Club

Mrs. E. A. Flinn was a recent hostess for the Cameron Garden Club at her home on East 15th St.

Mrs. E. B. Camp presided over a short business session. Fourteen members and one guest, Mrs. Guy Garth were present.

Mrs. B. F. Robinson gave an illustrative and informative talk on the "Know How of Flowers Arrangement." She made four arrangements during her discussion which were as follows: (1) Formal arrangement of San Servia with a background of yellow chrysanthemums; (2) Vertical arrangement for coffee table and antique chinese bowl, using green foliage and bronze chrysanthemums; (3) Mono chromatic arrangement for buffet supper table using bronze chrysanthemums and shrimp plant; (4) Formal Thanksgiving arrangements in milk glass stand using pastel orchid stock and chrysanthemums and dark blue grapes.
